

# slow down for julia

School is back in session, so please remember these safety tips:

## 1) Give School Buses a Brake

When their yellow lights are flashing, slow down. When their red lights are flashing and/or their stop arm is extended, vehicles traveling in same direction must stop.

## 2) Slow Down

Speeding gives you less time to react to dangers in the road.

## 3) Stop for Red Lights

Failing to stop is dangerous and can cost you and others their lives.

## 4) Pedestrian Awareness

Share the road, slow down when pedestrians are present and stop when they are crossing.

## 5) Don't Text

Texting distracts you from the road and potential dangers.

**FOLLOW THE LAW!** There have been a number of fatalities along Sunset Blvd; let's make this a great & safe school year.

Help save lives  
not end lives
